Coffee Filter Quilt

Beginner Friendly and a Fun Quilt to make
This quilt can be made with all scrap fabrics and it is beautiful.
You can be a little more creative and pick a background shade of fabric and only put the alternate fabric in print.
It is also a chance to use the decorative stitches on your sewing machine.

Bring:
Sewing Machine with open toe foot or applique foot
Basic Sewing supplies
Variety of colored threads
Fabric: See attached chart. You may pre-cut your squares by
following chart.
Note: Background squares can be completely random or more neutral. Accent squares of fabric can be all kinds of prints, the more variety the better.

Pattern Template and coffee filters will be provided

(4 ½" square) without borders
